

ANTONY DIMASE

CURRENT ROLE

Sole Director | DiMase Architects

Registered Architect in Victoria | ARBV (4840)

My role at DiMase Architects is to ensure the delivery of architectural projects for the benefit of our clients.

Our work covers 3 main sectors – residential, educational and commercial projects.

My studio has 2 full time staff and my practice undertakes project work in and around Melbourne.

My role sees me working at every level of architectural practice to ensure the smooth running of the practice.

My commitment is to make DiMase Architects an architecture studio that consistently meets the needs of our clients.
